RE: Committee to Elect Alan Grayson - C00424713

Dear Commissioners and Staff:

This is in response to the letter that you sent to the Committee to Elect Alan Grayson, with the return date of October 20, 2006. You asked the Committee to confirm, by electronic filing, that contributions made to the Committee for the General Election have been disbursed in accordance with law. Those contributions have been returned to the contributors, as reported in the recent quarterly filing. You asked that the Committee identify, by electronic filing, the interest rate and term for loans issued to the Committee. That has been accomplished by amendment and submission of the two most recent reports. This letter confirms that the Committee has complied with the Commission's directives.

Sincerely,

Committee to Elect Alan Grayson
